Preface

The Tanzania Commission for Universities (TCU) through its mandate as spelt out in section (12) (2) (a) (b) (c) of the Universities Act Cap 346 of the laws of Tanzania, read together with regulation 31 (2) (3) (4), coordinate the admission of student into Higher Learning Institutions (HLI) in Tanzania. Different from precious years, this 2017/2018 admission cycle, the Government directed TCU to take the coordination role of undergraduate degrees. Hence, the focus here is TCU to ensure quality of entry qualifications of the applicants who are admitted into HLIs in Tanzania.

Following the government directive, this 2017/18 academic year Applicants will channel their applications directly to individual Institutions. Higher Learning Institutions (HLIs) will directly receive and process applications and admit students into their institutions. After selection HLIs will submit the selected applicants to TCU for approval.

In order to undertake the work efficiently, TCU has prepared a **“List of Undergraduate Degree Programmes Approved to Admit Students for 2017/2018 Academic Year”** as a tool to guide TCU, Higher Learning Institutions and the Applicants as well as to control quality of students admitted into HLIs.

The book entails information on undergraduate programmes approved to admit students in 2017/2018 admission cycle. In each HLIs, minimum entry requirements, institutional admission capacity, and duration of each programme are indicated. An applicant is strongly advised to carefully read and understand the guidelines and programme admission requirements before lodging his/her application to respective Institution.

**The Executive Secretary,
Tanzania Commission for Universities,
2017**

1.0 Introduction

As approved in section (12) (2) (a) (b) (c) of the Universities Act Cap 346 of the laws of Tanzania, read together with regulation 31 (2) (3) (4), the Tanzania Commission for Universities (TCU) is mandated to coordinate admissions to Higher Learning Institutions (HLIs). From 2010/2011 academic year, TCU coordinated admissions into HLIs through Central Admission System (CAS).

Different from previous years, admissions into HLIs in this 2017/2018 academic year was done through individual Institutions. Therefore, Applicants channeled their applications direct to individual Institutions. Higher Learning Institution (HLIs) directly received, processed applications and admitted students into their institutions. After selection HLIs submitted the selected applicants to TCU for approval. The aim of this change was to give maximum autonomy to students to choose institutions and programmes of their preference and to provide HLIs on the other hand on maximum participation on quality assurance in the selection and admission process.

TCU has published a **List of Undergraduate Degree Programmes Approved to admit students in 2017/2018 Academic Year**” as one of its tools for guiding students as well as controlling quality of students admitted into HLIs. The book is intended to guide and inform prospective students, parents and stakeholders about institutions which offer undergraduate degrees, approved undergraduate programmes to admit students in 2017/2018 admission cycle, minimum entry requirements, institutional admission capacities, and duration of each programme.

Accordingly, section 16 of the Universities Act, Cap. 346, as amended by the Written Laws (Miscellaneous Amendments), Act No. 3, 2013 the Commission is duly mandated by the law to charge/collect quality assurance fee. In view of these legal provisions, the Commission at its 64th regular meeting held on 3rd July, 2014 approved a Tshs. 20,000/= Quality Assurance Fee with effect from July, 2014.
