Preface

The Tanzania Commission for Universities (TCU) through its mandate as spelt out in the Universities Act, Cap. 346 of the Laws of Tanzania in collaboration with the National Council for Technical Education (NACTE), National Examinations Council of Tanzania (NECTA), the Higher Education Students Loans Board (HESLB) and higher education institutions (HEIs) coordinate student's admission through Central Admission System (CAS) which has been in operation since 2010/2011 academic year. Annually, through the system, applicants who want to apply for admission into HEIs are able to lodge applications online and be selected to programmes of their choice centrally. The selection processing is based on the minimum programme entry and other requirements of each institution in the country including admission capacity and other parameters. The decision on the actual admission of applicants is then made by the individual institutions through their Governing Boards and Senates.

The Undergraduate Student Admission Guidebook is meant to provide the applicants with basic information on matters related to the entire process of admissions through the Central Admission System. The Guidebook indicates the programmes offered in each higher education institution as approved by TCU or NACTE. In addition, it indicates the minimum entry requirements, institutional admission capacity, fee structure for each programme, maximum loanable amount for programmes of national priority and other relevant information (For more information on Loans the applicants are advised to refer to the Guidelines and Criteria for Issuance of Student Loans and Grants for 2016/2017 academic year issued by the Higher Education Students' Loans Board).

The Guidebook provides a step-by-step procedure on how to apply through CAS using the Internet. **Applicants are therefore, strongly advised to read the Admissions Guidebook before they start lodging their applications. For further inquiries, prospective applicants and the general public are advised to contact TCU** through the addresses indicated below:

1.0 Introduction

The Tanzania Commission for Universities (TCU) has prepared this Undergraduate Students Admission Guidebook as a tool to simplify the admission process in the country. The Admissions into higher learning institutions is processed through Central Admission System (CAS). However, under special circumstances some applicants may be allowed to apply directly to individual institutions. Such applicants may include holders of Bachelor Degrees. Through the Central Admission System applications can be lodged through the Internet. The process is interactive in such a way that the applicant can easily and conveniently follow the instructions given by the system in the course of lodging an application. In addition, this Guidebook has the following information:

- Important dates to be adhered to during the application process;
- List of CAS participating institutions;
- Programme codes for each programme;
- Minimum entry requirements for each programme;
- Application fees and procedures for payment;
- Maximum loanable amount for priority programmes (For more information on Loans refer to Issuance of Loans Guidelines and Criteria for academic year 2016/2017 issued by HESLB);
- Categories of applicants eligible to use the Central Admission System;
- Procedure for application through Internet
- Other services offered by the Central Admission System.

a) Applicants with Ordinary Diploma in Teacher Education;

b) Applicants with Full Technician Certificates (FTC);

c) Applicants with Ordinary Diploma in Technical Education (NTA Level 6);

d) All applicants with other Diplomas (non-NTA) from Tanzanian institutions recognized by TCU/NACTE;

2.1. Applicants should NOTE the following:

i) All applicants will apply through the Central Admission System which is available on TCU website: **www.tcu.go.tz**.

ii) Applicants will be required to choose a maximum of 5 Programmes based on programme requirements given in the 'Undergraduate Students Admission Guidebook for Higher Learning Institutions' specifically for holders of Diploma/FTC available on TCU website.

iii) All applicants are advised to follow the stages for **REGISTRATION** and **APPLICATION** carefully to avoid any inconveniences.

2.2. Mode of payment

Application fees for applicants who are holders of Ordinary Diploma (NTA Level 6) and its equivalent Qualifications will be TSHS.50,000/-; a non-refundable application fee payable direct to NACTE through **M-Pesa**. This will involve the following applicants:

2. Diploma holders who do not have at least a GPA of 3.5 or average of B+ are advised NOT to apply as they do not meet the minimum requirements to be enrolled in any degree programme offered by higher education institutions.

3. Applicants are advised to keep in safe place their confirmation number for M-Pesa for future reference and payment verification.

3.0. Types of Higher Education Delivery Modes

Applicants should note that there are two modes of higher education delivery, namely, Conventional or Regular mode and Open and Distance Learning (ODL). Conventional mode of programme delivery is classroom-based while Open and Distance Learning (ODL) is a mode where there are no regular classes. Students under the ODL mode conduct their study using *self-instruction materials* and *structured face-to-face interaction* with their lecturers or instructors.

Applicants should thus bear in mind that all programmes offered by the Open University of Tanzania (OUT) are delivered through ODL mode. There are no regular classes or continuous interaction with lecturers/instructors at the Open University of Tanzania.
