## **PUBLIC NOTICE**

**Event:** *The 18<sup>th</sup> Higher Education, Science and Technology Exhibitions*

**Venue:** *Mnazi Mmoja Grounds, Dar es Salaam*

**Date:** *Monday 17<sup>th</sup> to Saturday 22<sup>nd</sup> July, 2023*

The Tanzania Commission for Universities (TCU) wishes to inform all stakeholders and the public that the 18<sup>th</sup> Higher Education, Science and Technology Exhibitions will be held from **17<sup>th</sup> to 22<sup>nd</sup> July, 2023** at **Mnazi Mmoja Grounds in Dar es Salaam**. Higher Education Institutions, Research Institutions, Regulatory and Professional Bodies, and Private sector companies from within and outside Tanzania are invited to take part.

### **Exhibitions' Vision:**

To become the leading national and regional state of the art exhibitions that will promote mutual understanding on quality assurance issues in higher education and research outputs, and a platform that enhances participation, linkages/collaboration and partnerships between Higher Education Institutions, Research and Development Institutions, and the industry.

### **Exhibitions' Mission:**

To create and promote equity, collaborations, partnerships networks and linkages between Higher Education Institutions, Industry, Research and Development Institutions for the attainment of national development goals as well as for the regional and global socio-economic development.

### **Objectives of the Exhibitions:**

- a) To provide opportunity for Higher Education Institutions to publicise their core functions and activities in the areas of teaching, research, consultancy as well as their current performance, potentials and future prospects.
- b) To educate and inform the potential higher education students and the public about new developments, innovations, and opportunities available in the higher education sub-sector inside and outside Tanzania.

- c) To provide a platform for Higher Education and Research Institutions as well as Local and International Educational Business Companies to exchange ideas and experiences related to their core functions thereby trigger competition that will result in the provision of quality higher education and research outputs.
- d) To create a channel that enables the prospective higher education students and the public to interact with Higher Education Institutions, Regulatory Bodies, and other institutions in order for them to make informed choices especially on programme of study and career prospects.
- e) To foster Higher Education Institutions – Industry partnership.

**Theme:**

***Enhancing Skills Development through Higher Education, Science and Technology for a Competitive Economy.***
