UQF	University Qualifications Framework
VETA	Vocational Education and Training Authority

Preface

The Tanzania Commission for Universities (TCU) through its mandate as spelt out in the Universities Act, Cap. 346 of the Laws of Tanzania coordinates admissions of Postgraduate students in universities in the country. To facilitate the process, TCU prepares Admission Guidebooks annually to guide the prospective applicants on admission procedures, available programmes and universities approved to admit students in a particular academic year.

This admission Guidebook outlines the requirements for admission into Postgraduate programmes in Tanzania. The procedures for admission of students to Postgraduate programmes require every applicant to apply for admission into the programme to the University of his/her choice using the prescribed procedures. To facilitate the admission process, this document has been prepared as a tool to guide universities and applicants on the admission procedure and to enable TCU on the other hand to regulate the admission process. The Guidebook contains information on Postgraduate programmes approved to admit students in 2024/2025 Admission Cycle including the minimum entry requirements.

Each applicant is strongly advised to carefully read and understand the procedure and programme admission requirements before lodging his/her application to the respective institutions. The decision on admission of applicants is made by the individual institutions through their Senates or Governing Boards. For further inquiries, prospective applicants and the general public are advised to contact respective institutions through the contact addresses provided in their websites.

Executive Secretary
Tanzania Commission for Universities
July, 2024

1.0: Introduction

The Postgraduate Admission Guidebook has been prepared as a tool to guide universities and prospective applicants on the admission criteria on one hand and to enable TCU to regulate the admission process on the other hand. The book is further intended to guide and inform prospective students, parents and stakeholders about university institutions which offer Postgraduate programmes, recognised Postgraduate programmes in the respective admission cycle, minimum entry requirements, institutional admission capacities and duration of each programme.

1.1: Quality Assurance

The Tanzania Commission for Universities (TCU) is required under the provisions of Section 5(1) (b) of The Universities Act, Cap. 346 of the Laws of Tanzania to audit, on a regular basis, the quality assurance mechanisms of universities. The audit process includes among others; carrying out evaluation, assessment and monitoring of universities on a continuous basis and making guidelines for quality assurance and other related matters for the purposes of monitoring and regulating general management and performance of universities.

To facilitate this process, the Commission has been duly mandated to charge and collect quality assurance fee. In view of this mandate, the Commission at its 64th Meeting held on 3rd July, 2014 approved a Tshs. 20,000/= quality assurance fee which has to be paid by every student admitted to university institution for all programmes from Certificate to PhD. To this end, all universities are responsible to collect and remit to the Commission the prescribed quality assurance fee for every student in the university's nominal roll annually.

1.2: Types of Postgraduate Training

The Standards and Guidelines for University Education in Tanzania, 2019 requires every university offering Postgraduate training programmes to set different types of programmes in accordance with the levels in the University Qualifications Framework (UQF), 2012. The recognised levels of Postgraduate training according to the UQF are as follows:

i. Postgraduate Certificate;
ii. Postgraduate Diploma;
iii. Master's Degree by course work and dissertation;
iv. Master's Degree by research and thesis;
v. PhD by course work and dissertation; and
vi. PhD by research and thesis.

1.3: Delivery Mode

The Standards and Guidelines for University Education in Tanzania, 2019, requires every university to clearly articulate the mode of delivery of the Postgraduate programmes. The recognised modes of delivery for Postgraduate training include:

i. Face-to-Face Contact (Full-Time and Part-Time);
ii. Open and Distance Education (Full-Time and Part-Time);
iii. E-Learning; and
iv. Blended Learning (Dual Mode).

1.4: Admission Procedure

The admission procedure requires:

i. Every applicant for Postgraduate studies to apply for admission into the programme through the university of his/her choice;

ii. All applicants holding foreign qualifications must have their qualifications validated and equated by the respective regulatory bodies before submitting their applications for admissions as

follows:

a) The Tanzania Commission for Universities (TCU) in respect of University qualifications;

b) The National Council for Technical and Vocational Education and Training (NACTVET) in respect of Technical, Vocational Education and Training qualifications; and

c) The National Examinations Council of Tanzania (NECTA) in respect of certificates of secondary education and teacher education.

iii. Every university shall submit to the Commission for verification the lists of all applicants admitted into the various Postgraduate programmes after approval of the admissions through the respective approval organs;

iv. Applicants to use the Postgraduate Admission Guidebook available on TCU website: *www.tcu.go.tz* for appropriate and updated information on all approved programmes, their capacities and entry requirements;

v. ONLY applicants who meet the minimum entry qualifications (as stated in Table 1) are allowed to apply for admission; and

vi. For specific details in respect of programme or admission process at the university level, applicants are advised to contact respective institutions.

1.5: General Entry Requirements for All Programmes

Admission to Postgraduate programmes shall base on the following criteria:

a) The candidate for Postgraduate programme at the level of Certificate, Diploma or Master's degree must have a Bachelor degree (UQF level 8) in the relevant discipline from a recognised HEI;

b) The candidate for Master's degree may have Professional Qualifications such as CPA(T), CSP (T), ACCA, CA, CIB, MCIM, CMA with an Undergraduate degree or Advanced Diploma; and

c) The candidate for PhD programme must have a Master's degree (UQF level 9) in the relevant discipline from a recognised HEI.

Specific minimum entry criteria are provided in Table 1.

Table 1: Minimum Entry Requirements for All Programmes

S/N	Admission into	Minimum Admission Entry Qualifications
1.	Postgraduate Certificate programme	At least a Bachelor's Degree (UQF level 8).
2.	Postgraduate Diploma programme	A Postgraduate Certificate OR Bachelor's Degree (UQF level 8) with a minimum GPA of 2.0 or C grade.
3.	Master's Degree programme (all types)	a) A relevant academic Bachelor's Degree (UQF level 8) or equivalent with GPA of 2.7 or B grade; b) A Postgraduate Diploma in relevant discipline/area or equivalent with minimum GPA of 3.0 or B grade; or c) A Professional training qualification with additional relevant training, evidence of research capability and relevant working experience.
4.	PhD programme (all types)	A Master's Degree (UQF level 9) in relevant discipline/area or equivalent with a minimum of GPA of 3.0 or B grade.

2.0: University Institutions Approved to Admit Postgraduate Students in 2024/2025 Academic Year

Table 2 indicates the list of universities approved to admit Postgraduate students in 2024/2025 Academic Year including type of institution, status of ownership and their geographical location:
